

PROCLAMATION ON COVID-19 OUTBREAK

Dear Associates of Ajinomoto India,

Warm greetings!

Extending notice to our prominent associates (Distributors, Retailers and Customers) regarding COVID-19 outbreak!

As on date with the clear evidence stated by Food Safety Standard Authority of India (FSSAI) and other global food regulators, "*There is no conclusive evidence for transmission of corona virus via food*" and we from Ajinomoto India Private Limited make certain that "food" is not a carrier of corona virus (SARS-CoV2).

We are closely monitoring the updates from World Health Organization (WHO) regarding the COVID-19 outbreak from time to time and through various awareness programs conducted by Ajinomoto India Private Limited to all the employees in the food supply chain and also executing the appropriate preventive measures precisely.

In addition, we are making sure that the safety of our visitors whoever visiting our premises, by providing the self-declaration about the COVID-19 as a precautionary measures and ascertain that there is no gap in the possibility of transmission.

On daily basis, each of our employees before resuming the work is being examined for the symptoms identified by World Health Organization since the COVID-19 outbreak began. If the symptoms persist, we have advised the employee to self-quarantine and to seek medical advice immediately.

Further you are informed that Ajinomoto India Private Limited is an ISO 22000:2018 and ISO 9001:2015 certified and ISO 45001:2018 implemented organization and strongly adhere to the standards and have well-built traceability system.

We value your understanding and continued support to our organization and together we will overcome this challenging situation without any disruption.

Date: 18 March 2020

Managing Director
